District Three

Finally, 2010 is coming to an end. The past several months have been rather eventful. As most of you probably know, the American Legion Legacy Run came roaring through District Three. The Legion Riders road from Indiana across Interstate 70, to Interstate 29 up to the Harley Davidson Plant. They stopped there for a tour before heading north through District Three. They stopped and spent the night in Bethany MO, the Wilson-Axline Post 216 presented a fabulous dinner for about 400 hot, sweaty, tired, gracious, thankful riders. I was there, along with Vice Commander Ed Schmidt and Past District Commander Gary Nichols. We had gone there to assist in any way necessary and ended up trying to stay out of the legionnaires' way. Commander Jeffry Nichols and his legionnaires and auxiliary did an excellent job. As Bubba Joe would say, "Ya done us good!"

A few weeks ago was the Department of Missouri's Fall Conference. During the conference several awards were presented. Every post in District Three received a certificate for Americanism. This certificate was awarded because a Consolidated Post Report for each post had been submitted to Department. I have checked with several past district commanders and none of them can remember when District Three ever received 100% participation before. But we did it this year. Great Job!

## WE ARE FAMILY

By  
**John F. Kopp, Commander**  
District Three

District Three is very fortunate to have at least one of every member of The American Legion Family. Most of our posts have an auxiliary unit assisting and supporting them, we also have three active squadrons of the Sons of The American Legion and we also have one Chapter of The American Legion Riders.

Do you realize that you do NOT have to be a member of the post that has a SAL Squadron or Legion Rider Chapter to join? You can belong to one post and have a son or grandson that can join the SAL Squadron at another post.

And like any family, communications is vital. When some one needs help that member needs to inform the others. That is like the Legion holding a fundraiser. The post should ask the Auxiliary, SAL, and Riders if they would like to participate, and the other way also. None of the four members should go off on its own without at least informing the others as to what is going on.

Four times a year the District holds a meeting. The Legion and Auxiliary both hold their respective meetings at the same time and same place. The times and locations are published in this letter and also sent to the post officers prior to the meeting. The Commander of that post should invite the SAL and Riders to attend. Think of all the ideas that could come from such a gathering.

## CHANGE OF DATE

By  
**John F. Kopp, Commander**

Since La Societe' des Quarante Hommes et Huit Chevaux Grande du Missouri is holding their annual spring wreck and promenade on the weekend of April 10<sup>th</sup>, 2011, it became necessary for District Three to change the date of our Spring Meeting. The main reason is that most of District Three Officers are also Grand Officers in the Grande du Missouri and are required to be in Festus MO for that weekend. **So, we have decided to move the date back to Sunday, April 3<sup>rd</sup>, 2011. All times remain the same.**

For those who are not familiar with it, La Societe' des Quarante Hommes et Huit Chevaux is commonly referred to as the 40 and 8, meaning forty men or eight horses – which was what the normal French Boxcar, during WWI, would hold and was the normal mode of transportation for the troops to an from the front lines.

The 40&8 has a long and wonderful history. It was founded in 1920 by members of The American Legion as a fun and honor society and the founders based the organization on their military experiences in WWI France.

Today it is an independent fraternal organization of wartime veterans whose membership is by invitation. For more information feel free to contact me or any District Three officer.

## MEMBERSHIP

As with any organization, membership is vital to its very existence. We need new members with their fresh ideas and spirit and we need the renewal of older members also. Many members just need to be reminded to renew, it may take a letter or postcard, it may take a phone call, or even a personal, face to face invitation to renew. Try every avenue you can think of to retain our membership. Sometimes a member will get his or her feelings hurt by some one or some thing. Try to rectify the differences. See is amends can be made and bring comfort to the one who has been hurt.

Often times we notice that a member has not been attending the meeting, and though we wonder why, how often to we actually ask the person why. We cannot fix a problem unless we know it exists How many thousands of veterans, Sailors, Soldiers, Marines, and Airmen have been ignored? How many are just waiting to be asked to join? For many it is just a matter of being asked to join or invited to a meeting or a social gathering, like a post dinner or other post function. And, how many thousands of eligible veterans do not even know what the Legion is about?

Some of us may also lose sight of another very important aspect of The American Legion. We exist to serve, to serve God, Country, Community, and Family. If a veteran is in trouble and needs assistance, we don't ask if he is a member, we help. That is the Legion. I have been to several Department Conferences where a veteran was helped by the Legion, yet did not belong. It wasn't until after the Legion came to his assistance that he joined. He probably didn't even know we existed or if he did, really did not know what we do.

Keep up the good work. And thank you, all, for what you have done and continue to do for our country, community, and Legion.

## MISSOURI BOYS STATE

By  
**John F. Kopp, Chairman**

Probably toward the end of February we should be receiving our information packets for this year's Boy State. But, it is not too early to contact your sponsors and also contact the schools in your area. If your school would like some one to visit and talk about Boys State, let me know so we can get it arranged. Let's see if we can fill up Warrensburg this year. If you have the sponsors and the boys, Boys State has the room.

Also, if you have any questions, do not hesitate to ask. If I don't know the answer, I can and will get it for you.
